Tampa, FL – The Hillsborough-County Public Library Cooperative will host an Investor Education Seminar on Saturday, November 10 from 12 to 5 pm at the John F. Germany Public Library, 900 N. Ashley Dr. Seating is limited.

This state wide initiative is designed to respond to the need for more investor education. The seminar has been developed and will be conducted by the Evelyn Brust Financial Research and Education Foundation. The Evelyn Brust Foundation also will also provide financial support. The lecture will be followed by optional, financial wellness workshops for participants covering such important issues as determining retirement needs and setting personal financial goals.

Founded in 1993 as part of a multi-state settlement to resolve charges of misconduct, Investor Protection Trust (IPT) is a nonprofit organization providing independent, objective information and resources needed by consumers to make informed investment decisions.

“Investor Education @ your library will equip both new and experienced investors with the intellectual armor they need to invest wisely and avoid investment scams,” says Don Blandin, President and CEO of the IPT.

The program is sponsored by the Florida Office of Financial Regulation, American Library Association and Investor Protection Trust.
